

Thank you for registering to curl at Chinguacousy Curling Club.

Membership is considered on a first-come, first-served basis, with returning members to each league getting priority. The earlier a new member is active (registered and post-dated payment received), the better their opportunity to be accepted when spots open up. New members should pay by cheque, unless they are positive of their spot on a team (Men's or Business Women's leagues). This way, if there isn't room in the league desired, and the applicant can't play in another league, the cheque will be destroyed. Cheques must be dated September 7, 2018.

***Returning members must renew their membership and have payment submitted online (bank e-transfer) or cheque by September 7th, 2018 in order to hold your spot. After that date, new members will be considered for any unclaimed spot.***

If paying by cheque, full payment must be received by September 7th, 2018. Payments should be dated September 7th, 2017 (and January 4, 2019 if split) and post-marked at that date in order to be considered a member in good standing, and to participate as a member of Chinguacousy Curling Club. **E-transfer payments may also be split;** first payment must be received by September 7th. A reminder will go out in early December for the second payment. Anyone missing the January 4th deadline will be considered inactive. Cash payments are still not accepted.

***\* Instructions on how to make E-Transfer Bank Payments can be found here. \****

Payments can be mailed to:

Lisa Bailey, Registrar  
143 Elgin Drive  
Brampton, ON L6Y 2E7

If you do not mail your cheque, please hand deliver to Lisa Bailey. A mailbox will be available on the front porch. No other Board Member will accept payment.

Once your payment has been received, your member status will be changed to **Active**. You will then be able access your existing membership or to request a website account from the login page by entering the email address you used for registration. Your website account will give you access to league information and the roster as it becomes available. You should indicate your spare availability when you log in to the website (Click "My Profile" from the members page).

**If your payment does not clear, your status will be changed to Inactive.**
